

Product Code . EL-M-11020

Infinity Corrected Digital Trinocular Microscope

Description

Infinity Corrected Digital Trinocular Microscope

The Infinity Corrected Microscope offers superior performance. Equipped with infinity corrected objectives, the built to withstand the demands of daily work in laboratory and classroom environments.

The digital microscope is equipped with a digital camera on a trinocular head, allowing users to go beyond conventional image processing functions to fully meet the requirements of your image analysis.

Equipped with a 3w LED lamp, field diaphragm, Abbe condensers and other optical components including a standard Kohler illumination system providing uniformly bright and free-from-glare specimen illumination which provides a high image quality with brighter and sharper resolutions for photomicrography.

Educational Lab Equipments are leading manufacturers, suppliers of Infinity Corrected Digital Trinocular Microscope. Contact us to get high quality Infinity Corrected Digital Trinocular Microscope for schools, colleges, universities, research labs, laboratories and various industries.
