

# **Educational Lab Equipments**

Product Code . EL-SWES-11646

# **Bend Test Equipment**

## **Description**

### **Bend Test Equipment**

#### **Description:-**

One-step forming: this product bends specimen in one step during tests.

Effortless: requiring only one operator, who clicks the buttons to perform tests.

Safe: specimen bending directly into sealed test table, safe to operate.

Then applies side loads to form interference bend on the specimen to eliminate remaining deformation, accomplishing a bending angle of 180°.

Dust-proof: unique dust resistant unit protects ball screw from oxide coating.

Two-way hydraulic cylinder enables fast loading, unloading and withdrawing.

Equipped with waste collecting cart, reduces working effort.

Small footprint saves space for testing.
